Swedetown Chalet at the Swedetown Trails in Calumet
Einerlei in Chassell

Skiing disclaimer:

Cross country skiing is a potentially dangerous activity. The skier assumes all risk associated with skiing including, but not limited to: falls, the effects of weather including cold, wind, snow, other forms of precipitation, the condition of the trail, and contact with other skiers. Sellers of ski club memberships, ski clubs themselves, supporting governmental bodies, groomer owners and operators, and owners of the land the trail traverses cannot be held responsible for any claims or liabilities resulting from skiing.
