Office Use only

Check # _____ Bib # _____

Age Group: M / F _____

What

The Carl Olson Memorial Adventure Run and Fitness Walk with 5km and 8km competitive trail runs, a 5km untimed fitness walk, and a 2km youth competitive trail run (ages 11 and under).

Where

The Chassell Ski Trails at the trail access point on Archambeau Road (by Roger Tervo's house). This is the same starting location for the Chassell High School cross country meets.

Take Chassell-Painesdale Road about one mile west from Chassell's blinking yellow light or one-half mile east of Paradise Road. You'll see our signs for Archambeau Road.

We're using the upper loop on the Chassell Trails for a kinder, gentler 5km and both the upper and lower loops for a challenging 8km.

When

Saturday, August 28, 2010

Why?

Carl Olson loved to run. He loved to run in the woods. He loved to cross country ski. The Chassell resident died at far too young an

age. This event honors Carl and his passion, plus has the goal of getting more people moving in the outdoors — both summer and winter.

All proceeds benefit the Copper Country Ski Tigers middle school and high school skiing programs.

Swag

All pre-registrants — runners and walkers — will receive a great give-away item! (no give-away for 2km event).

All registered participants entered in door prize drawing (must be present to win).

Ribbons given to the top six in each age class.

Special awards given to the top male and top female in the 5km and 8km running races.

Registration

Pre-register by August 8 to guarantee yourself our give-away item and to save three bucks. Use the form to the right for mail-in registration. Registration also available at active.com. Day-of-event registration is available, but why not pre-register and save some cash plus guarantee yourself a give-away item?

Mail: Send the registration form and your check (payable to Copper Country Ski Tigers) to:
Carl Olson Run/Walk, 9795 Freda Road, Atlantic Mine, MI 49905

About the Event

Carl Olson was a Chassell resident who died at far too young an age. Carl was an avid runner and skier. He did his running on trails — the more adventuresome the better.

The Carl Olson Memorial Adventure Run celebrates all those who share Carl's passion for fitness events in the outdoors, rain or shine or snow.

The Fitness Walk was a fitting addition to the adventure run. The goal of the untimed walk is to encourage people to get outdoors, get in shape and enjoy the beautiful outdoor environment of the Keweenaw.

Proceeds from the Carl Olson Memorial Adventure Run and Fitness Walk support the Copper Country Ski Tigers middle school and high school skiing programs. The funds offset the costs of travel, wax and training equipment.

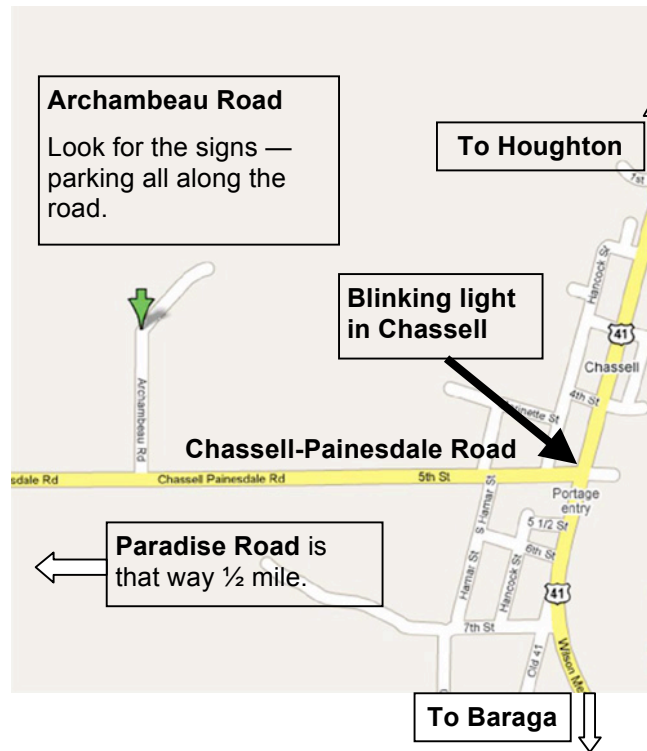

The Ski Tigers ski team has brought pride to the Copper Country by winning four of the last five state championships and sending members to the U.S. junior national championships.

Sponsors and Supporters

Major Sponsor: Still Looking!

Peninsula Copper Industries, where Carl was the #2 employee, has supported this event every year since its inception.

We would also like to thank Chassell Recreation, Jim and Roger Tervo and racing team parents.

We will start at the trail access point on Archambeau Road (by Roger Tervo's house). Take Chassell-Painesdale Road from either US-41 or Paradise Road. You'll see our signs for Archambeau Road.

We're using the upper loop on the Chassell Trails for the 5km event all on rolling grassy trails. NICE!!

This is the same starting location for the Chassell High School cross country meets.

Registration available at active.com !!!

A fitness event with something for EVERYONE!
