

About

Carl Olson was a Chassell resident who died at far too young an age. Carl was an avid runner and skier. He did his running on trails — the more adventuresome the better.

The Carl Olson Memorial Adventure Run was created to remember Carl and to promote his brand of fitness — in the outdoors, rain or shine or snow.

The Fitness Walk was a fitting addition to the adventure run. The goal of the untimed walk is to encourage people to get outdoors, get in shape and enjoy the beautiful woods and terrain that exists throughout the Keweenaw.

Proceeds from the Carl Olson Memorial Adventure Run and Fitness Walk supports the Copper Country Ski Tigers middle school and high school racing program. The funds offset the costs of travel, wax and training equipment.

The Ski Tigers race team have won three consecutive state championships and regularly qualify members for the U.S. junior national championships.

Sponsors and Supporters

Portage Health is the major sponsor for this event.

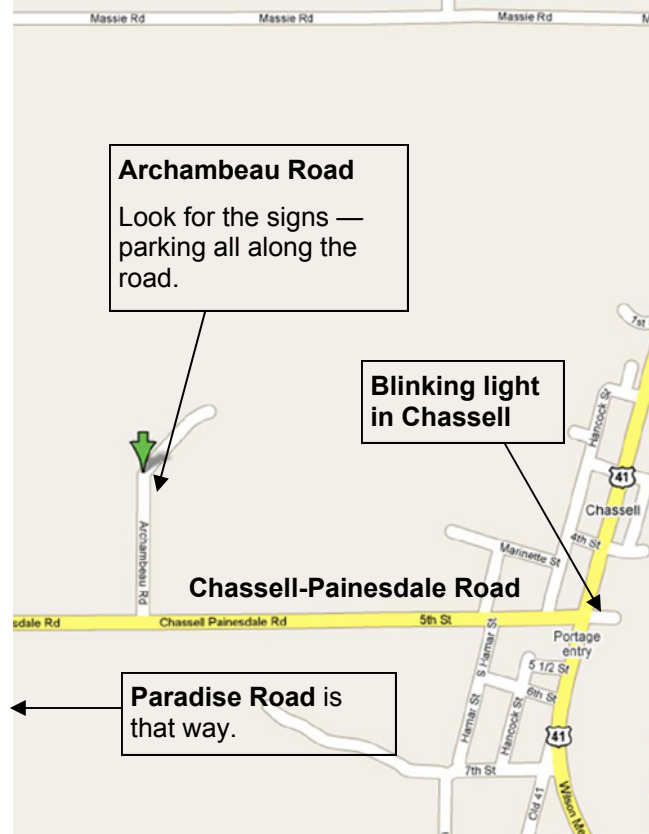

Peninsula Copper Industries, where Carl was the #2 employee, has supported this event every year since its inception.

We would also like to thank Chassell Recreation, Jim and Roger Tervo and racing team parents.

The Copper Country Ski Tigers middle and high school race team competes throughout the region and has won three consecutive Michigan high school state championships.

New Start Location

We will start at the trail access point on Archambeau Road (by Roger Tervo's house). Take Chassell-Painesdale Road from either US-41 or Paradise Road. You'll see our signs for Archambeau Road.

We're using the upper loop on the Chassell Trails for the 5km, making for a kinder, gentler race.

This is the same starting location for the Chassell High School cross country meets.

Why?

Carl Olson loved to run. He loved to run in the woods. He loved to cross country ski. The Chassell resident died at far too young of an

age. This event honors Carl and his passion, plus has the goal of getting more people moving in the outdoors — both summer and winter.

All proceeds benefit the Copper Country Ski Tigers middle school and high school racing program to help offset expenses for equipment and travel.
