The mission of the KNSC is to promote cross-country skiing in the Keweenaw Peninsula of Michigan for both youth and adults, and provide stewardship of the Maasto Hiihto and Churning Rapids trails. These trails offer unsurpassed skiing on pleasantly varied and scenic trails, with breathtaking vistas of gorges, meadows, forests, and Lake Superior. Everyone is welcome to ski on the Maasto Hiihto trails. Snowshoers and furry friends are welcome, too, but the club asks that they please stay off of the groomed ski tracks. The club's main source of income is memberships.

The mission of the Keweenaw Community Foundation is to promote philanthropy, develop and manage permanent endowments from a broad range of donors, and award charitable grants that enhance quality of life in the Keweenaw.
